

February 9<sup>th</sup>, 2022

**ANNOUNCEMENT,**

We are pleased to announce the addition of three coated 25k dwt IMO2 vessels to the Womar fleet from MLEP. Easterly Falcon, Easterly Hawk and Easterly Osprey are all scheduled to join our fleet during the 2<sup>nd</sup> half of February in Europe.

These vessels have been employed primarily in the inter-Europe CPP trade, and our intention is for them to continue in this trade going forward.

To ensure a smooth transition and to further strengthen our commercial team, we are also pleased to advise that Mr. Søren Hempel will join the Womar Chartering team, effective March 1<sup>st</sup>, 2022, as Chartering Manager. He will be based in Copenhagen.

Contact details for Søren are as follows:
